FALL: CHILDREN & TEENS

Priority enrollment ends 5/18

All courses are continuing classes with the exception of session classes (see below for full description). Most **continuing classes** begin the week of September 15, 2008 and will continue through mid-June, 2009. Students may enroll in continuing classes at any time during the year, space and curriculum permitting. Students or parents of children wishing to withdraw from class must notify the office at least one week prior to the beginning of a new month in order to avoid incurring new tuition charges. The tuition listed by each class is based on a four-week month and is adjusted during months with holidays or a varying number of weeks. Students are billed prior to each new month with tuition being due by the first of that month. Refunds are not possible after the first of the month if a student withdraws within that month. **Session classes**, which are marked with an asterisk (*) next to the tuition below, run for a specific number of weeks during the period of September 15 – December 20, 2008; see below for specific dates. These classes are paid for in advance, and the student enrolls for the entire course.
