

# Class Descriptions for Children and Teens

## **MIXED MEDIA 4 - 12 years** **(includes Drawing and Painting)**

Special attention is given to creative activities based upon a wide range of two- and three-dimensional projects. Painting, sculpture, printmaking, collage and drawing techniques are taught. A variety of materials are used including colored pencils, clay, foamcore, charcoal, pastel, acrylic, watercolor and markers. Supplies included.

## **DRAWING AND PAINTING 6 - 12 years**

Students work with a variety of drawing and painting materials creating aesthetic projects from a vast array of subjects. Color and line, creativity, perception, and imagination are considered and encouraged in a constructive atmosphere. Supplies included.

## **DRAWING FUNDAMENTALS 9 - 15 years**

Explore the fundamental concepts of drawing such as line, shape, form, volume, spatial relationships, and perspective while working with a variety of drawing materials. Focus will be placed on learning how to see the world around us and translating this newfound vision into the two-dimensional world of drawing. Students will study various artists along with their styles and influences in art history. Some supplies included. Prerequisite: None.

## **DRAWING TECHNIQUES 12 - 15 years**

Develop enhanced observational drawing skills as you further investigate line, value, form, perspective, texture and color. Learn to create dynamic and compelling drawings using charcoal, graphite pencil, pen and ink, colored pencils and various other

media. Some supplies included. Prerequisite: Drawing Fundamentals and recommendation of BAC instructor.

## **CARTOONING 9 - 12 years**

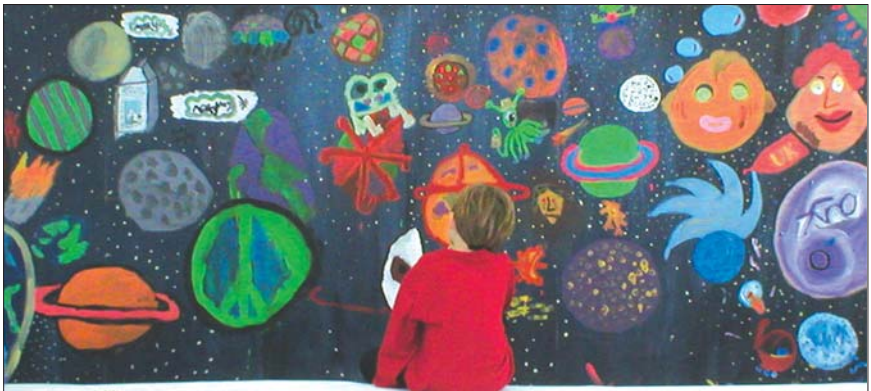

Develop a personal style of cartoon drawing through the creation of comics, spot cartoons and other forms of humorous illustration. Emphasis is placed on originality and line drawing with various media. Investigation of contemporary cartoon characters rounds out this course. Supplies included. Prerequisite: Drawing Fundamentals recommended.

## **SCULPTURE TECHNIQUES AND MATERIALS 10 - 13 years**

Traditional, contemporary and experimental sculpture techniques and skills will be taught using a wide variety of materials such as clay, wood, stone, wire and plaster. Instructor will assist students in creating aesthetic and personally expressive works in three-dimensions. Supplies included. Prerequisite: Drawing Fundamentals recommended.

## **PORTRAIT DRAWING NEW Teen**

An in-depth study of the architecture of the human head is the foundation of good portraiture. Learn about proportion, structure, features of the face, likeness, and how to visualize and draw the head from different angles. Line, gesture, value, and mass are discussed and explored. Students draw directly from the model, working toward the goals of accuracy and personal expression. Varied media will be used. Student furnishes own supplies. Prerequisite: Drawing Fundamentals.

**FIGURE DRAWING (NON-NUDE) NEW Teen**

In this class, students will draw from a model clothed in a swimsuit. For a further description of this course, see below. Prerequisite: Drawing Fundamentals recommended.

**FIGURE DRAWING Teen - Teen/Adult**

Working from the nude model, fundamental skills and techniques will be introduced. Charcoal, graphite, conté and other materials will be used. Anatomy, proportion, line quality and volume are emphasized. Student furnishes own supplies. Prerequisite: None.

**FASHION ILLUSTRATION Teen/Adult**

This class offers an introduction into the world of fashion illustration. Emphasis will be placed on historic and current styles and trends as well as designs, fabrics, patterns, and the creative process. Students draw from nude and costumed models and furnish own supplies. Prerequisites: Drawing Fundamentals and Figure Drawing.

**PAINTING FUNDAMENTALS**

**12 years - Teen**

Explore the basic techniques and concepts of painting such as color theory, composition, color mixing, brushwork, blending and glazes. Emphasis is placed on developing skills and pursuing an imaginative and personal approach. Student furnishes own supplies. Prerequisite: Drawing Fundamentals. Drawing Techniques recommended.

**FIGURE PAINTING NEW Teen**

Students will study traditional and contemporary techniques of mixing and applying paint, analyzing value, color and light, and developing volume. The instructor will also assist students in achieving an aesthetic and personally expressive style. Student furnishes own supplies. Prerequisite: Figure Drawing.

**PHOTOGRAPHY Teen**

Enhance your way of seeing and develop your aesthetic, photographic vision. Through slides, discussion, historical study and critiques, students will learn technical aspects of photography with the primary emphasis on guided viewing and creative camera work. Student furnishes fully manual digital or non-digital camera, film and processing. Prerequisite: None for beginners. Beginning Photography and/or portfolio review required for intermediate/advanced levels.
