## WINTER & SPRING: ADULT

Continuing Classes resume Saturday, January 10, 2009 and are continuously held thru June 20, 2009 with no break

Winter Session Classes: January 10 – April 4, 2009

Spring Session Classes: April 18 – June 20, 2009

Priority enrollment for currently enrolled students for both the Winter & Spring Semesters ends November 19, 2008.

Open enrollment begins Monday, November 24, 2008.

All courses are continuing classes with the exception of session classes (see below). **Continuing classes** began the week of September 15, 2008 and continue through June 20, 2009 with no break. Students may enroll in continuing classes at any time during the year, space and curriculum permitting. The tuition listed by each class is based on a four-week month and is adjusted during months with holidays or a varying number of weeks. Students are billed prior to each new month with tuition being due by the first of that month. Students or parents of children wishing to withdraw from class must notify the office at least one week prior to the beginning of a new month in order to avoid incurring new tuition charges. Refunds are not possible after the first of the month if a student withdraws within that month. **Session classes**, which are marked with an asterisk (\*) next to the tuition below, run for a specific number of weeks. These classes are paid for in advance, and the student enrolls for the entire course.

\* This is a **session class** which is held for a specific number of weeks; tuition listed is for the entire course. All other classes are continuing month-to-month classes which began the week of September 15, 2008 or begin starting Saturday, January 10, 2009 and continue through June 20, 2009, space and curriculum permitting, or unless an alternate start date is noted. The tuition listed without an asterisk is based on a four-week month and is adjusted during months with holidays or a varying numbers of weeks. Through December 10, 2008 for Winter classes and March 10, 2009 for Spring classes, a \$100 non-refundable deposit reserves space in each class at the time of enrollment. After December 10 and March 10, full or remaining tuition, if enrolling in a Winter or Spring session class, and/or the first month's tuition for continuing month-to-month classes is due at the time of registration.

\*\* See Class Descriptions for prerequisites.

\*\*\* This intermediate/advanced class is taught in a workshop setting which emphasizes individualized instruction with students working at their own pace rather than the entire class working on the same sequentially developed curriculum.
